Dear Community Supporter:

On March 28, 2020, the C. Waldo Scott Center for H.O.P.E. will host our annual breakfast fundraiser, "We Are Part of the Story...Continuing The Legacy". As the City continues to plan for its transformation, specifically in the Southeast community, the Scott Center is looking forward to being a part of such transformation.

The mission of the Scott Center is to provide HOPE to families while developing the WHOLE CHILD. This is accomplished by providing multi-discipline services to educate and foster the growth and development of youth and families. The Scott Center's programs and services focus on the areas of education, life skills, health, and employment.

The Scott Center has served numerous youth and families for the past 25 years, but realize our work is not complete. With your support, "Continuing The Legacy" of Dr. Scott and other noted residents is the focus of the Board of Trustees, working towards an empowered community. We strive to continue to provide programs, services, and resources which will help foster the growth of our community youth and families.

We are asking you to make an investment in our community youth, through event sponsorship, securing an advertisement in our souvenir ad booklet, make a donation, and/or attend our breakfast fundraiser.

It is only with community support that the Scott Center can continue to serve the youth and families of the Southeast community. Please join us in this effort of "Continuing The Legacy".

For more information, please contact Crystal Rainey at (757) 244-9223 or [Breakfast2020@scottcenter.org](mailto:Breakfast2020@scottcenter.org)

Sincerely,

*Angela Futrell*
