

**The C. Waldo Scott Center for H.O.P.E Announces
The Lylton L. and Augusta Inettie B. Edwards Vocational Scholarship**

Scholarship Release Date: February 9, 2018

SCHOLARSHIP DUE DATE: March 30, 2018 (by 5:00 p.m. EST)

Purpose: Vocational Training

The C. Waldo Scott Center for H.O.P.E. announces a scholarship opportunity for youth and adult residents of the Southeast Community of Newport News, Virginia who are interested in pursuing vocational education.

Mrs. Augusta Inettie B. Edwards was a long-time resident of Newport News and retired as a teacher from the Newport News Public Schools. Mrs. Edwards and her husband, Lylton, both had a strong belief in not only education in general, but also in job training--vocational education.

Mr. and Mrs. Edwards were passionate about building the community in which they lived and about providing opportunities for their community members. Embracing their passion, **The Lylton L. and Augusta Inettie B. Edwards Vocational Scholarship** was endowed. It has been approximately ten years since The Edwards Scholarship was established to assist residents of the Southeast Community of Newport News with pursuing vocational trades. With today's shortage of skilled workers and the need for more training in the trades, the vision of Mr. and Mrs. Edwards is still relevant!

Lylton L. and Augusta Inettie B. Edwards Scholarship Applications received by the deadline (March 30, 2018) will be reviewed by the Scholarship Committee. The recommended application will be submitted to the Board of Trustees for approval. The Board's decision shall be the final decision.

The recipient will be presented to the Board for recognition and awarded the scholarship in June 2018. A certificate of award will be presented at that time; the monetary award will be sent upon confirmation of enrollment and attendance in a program that provides vocational skills training.

If you have any questions or concerns related to this scholarship, please contact the Scott Center, 757-244-9223.

This scholarship application is also available on the Scott Center's website:
