Greetings Community Supporter:

As we continue to adapt to the presence of COVID, the C. Waldo Scott Center continues to provide programs, services, and resources to address the needs of youth and families in our community. Our service delivery focuses on the areas of education, life skills, health, and employment.

The Scott Center was developed utilizing a multi-discipline service delivery model. Throughout its service to the community, the Scott Center has enlisted the help of other organizations and community partners to ensure the quality delivery of programs and services. The Scott Center holds firm to the value of working collaboratively to meet the needs of the community.

This year’s fundraising theme reflects the need for working with others, “Together We Can Give an Opportunity.” The C. Waldo Scott Center’s Board of Trustees is requesting your support as the Scott Center continues to provide its youth and families with needed resources, programs, and services. This includes scholarship assistance for our graduating high school seniors from Newport News Public Schools. During such challenging financial conditions, it is important that we come together to provide an opportunity for our community youth to further their education and lead the next generation. We ask that you invest in our youth by donating through our annual donors’ event.

Operating in a mode of safety, the Board has decided to again present its fundraiser as a virtual event. The event will take place on Thursday, April 21, 2022 at 6:00 p.m. You will be able to access the presentation of the event on the Scott Center’s website (www.scottcenter.org). To show your support, you may give a generous donation using the enclosed envelope or electronically via our website and/or place a celebratory advertisement in our Virtual Program booklet (to be posted on our website).

As always, we thank you for your support. For more information, please contact the Scott Center (757) 244-9223 or info@scottcenter.org.
